

## FORECAST TECH 2005

For Growth Companies & Investors  
19 & 20 January 2005, Frankfurt

Bloomberg

**SACHS**  
**ASSOCIATES**

Sachs Associates Conferences

### Presenting Opportunities for **Small & Mid Cap Tech & Biotech Companies**

Sachs Associates have a **global partnership with Bloomberg LP** to arrange large-scale investor conferences. Sachs-Bloomberg conferences are run in major financial centres including Boston, Frankfurt, London, Moscow, New York and Zurich and focus on emerging growth markets. We hold an annual meeting in January to which we invite a select audience of approx. 400 industry representatives, money managers, analysts, advisers and emerging tech & biotech companies.

Presenting at the forum offers excellent opportunities to showcase your company to some of the leading global investors, corporates and money managers. It will offer you the opportunity to communicate your projected capital raising plans, intensify the relations with stock market analysts or simply help you finding the right partner for your business. We are offering the opportunity to up to 20 small & mid caps as well as IPO-prospects to give a 15 minute presentation on day one of the conference. The presentations will follow a series of high profile panels and presentations by industry analysts, investment bankers, money managers and major exchanges. We accept companies from the following industries:

- ✓ **Software & IT**
- ✓ **Security Technologies including Home Land Security**
- ✓ **Biotech & MedTech**
- ✓ **Wireless & Communications**
- ✓ **New Technologies including renewable energy, nanotech, etc**

Presenting opportunities are available and include the following:

- ✓ A **15 minute presenting slot**
- ✓ **10 complimentary guest passes** for the entire meeting
- ✓ A **full page company profile** in the conference guide with details on the company, fundraising plans, management and technology
- ✓ **Listing on our website** [www.sachsforum.com/fcast05\\_fs.html](http://www.sachsforum.com/fcast05_fs.html)
- ✓ Sachs Associates assist in setting up **one-to-one meetings** in private meeting facilities
- ✓ Optional: exhibition space at the venue

Should you have any queries or wish to apply to present at the forum, please contact Hannah-Louise Cook on + 44 20 7405 5544 or [hl@sachsforum.com](mailto:hl@sachsforum.com) or visit [www.sachsforum.com/fcast05\\_fs.html](http://www.sachsforum.com/fcast05_fs.html).

**We look forward to hearing from you.**

**Please note that applications are taken on a first come first served basis. Those received first are given prior consideration and the available slots are taken up quickly.**
